

# Knitting skills for learners with deafblindness

Knitting skills prepares the individual to engage in income-generating activities and the world of work. The learner will therefore, acquire skills in handling materials, knitting and finishing items for sell.

## Interventions

- Providing the learner with knitting materials and equipment
- Guiding the learner in safe handling of knitting materials and equipment
- Demonstrating to the learner how to knit items
- Prompting the learner to finish knitted items
- Supporting the learner in storing and selling the knitted items
- Guiding the learner to keep records
- Reinforcing the learner's positive behaviours
- Recording learner's progress and achievement

## Achievement Indicators

The learner can:

- develop fine motor skills for knitting.
- knit and finish items.
- participate in improving income levels.

## Resources/Materials

Yarn, knitting needles, booties (babies' socks), shawl, leg warmers, scarf, box/basket, mat, assistive devices, buttons/zips, darning needles, ribbons, frills, recording materials, etc.
